

Dear Visiting Women's Basketball Athletic Trainer,

Welcome to the University of Iowa! I hope that you have a pleasant stay in Iowa City. If you have any special concerns or requests, please contact me so I can accommodate your needs.

The athletic training room is located on court level of Carver Hawkeye Arena. On game day, the athletic training room will open 2 hours prior to tip off. The modalities that are available are electrical stimulation, ultrasound, hydrocollator, plunge pools and ice. There are also bikes and an elliptical if you need them for your use. For practices water, cups, ice and first aid supplies will be available, along with the AED on the cart.

Ice, water, cups and biohazard materials will be available on your bench. In your locker room water will be provided, along with first aid and biohazard materials. An AED will be located on the home bench during games.

There will be an ambulance on site at all games. The team physician and team orthopedist will be in attendance or on call. The University Hospital and Clinics is located less than mile away for Carver Hawkeye Arena.

If you have an athlete/staff member that starts to experience COVID symptoms. Please contact me ASAP so I can help facilitate a PCR test.

If you are traveling without a certified athletic trainer, please contact prior to visiting so I can accommodate your team's needs.

Have a successful and injury free season! I look forward to seeing you on your visit to Iowa City. Please contact me if you need anything.

Sincerely,

Jennie Sertterh, MEd, LAT
Assistant Athletic Trainer
