

ATHLETIC TRAINING SERVICES

Dear Visiting Softball Athletic Trainer,

Welcome to the University of Iowa! We hope you have an enjoyable and injury-free visit to Iowa City. We also hope to make your stay as accommodating as possible.

UI Softball games are held at Bob Pearl Field within the Hawkeye Softball Complex. The complex is located at the corner of Mormon Trek Boulevard and Second Street, in Coralville. The entrance to the complex is off Mormon Trek Boulevard.

The following will be available to you upon your arrival:

- If needed, the Jacobson Athletic Building Athletic Training Room will be available. Please let me know if you would like to use this facility and note that this facility is not within walking distance of the SB complex.
- Modalities available in the Athletic Training Room include:
 - Ice bags
 - Hot packs
 - Ultrasound
 - Electrical stimulation
 - Additional modalities may be made available upon request
- During games the following will be in your dugout:
 - 10 gallons water,
 - 10 gallons PowerAde
 - Injury ice and ice bags
 - Cups
 - Towels
 - Hand sanitizer
 - One treatment table in the locker room
- Vacuum splints, AED, and crutches will be located in the home locker room. A copy of Bob Pearl Field EAP will be posted in both home and away dugouts.
- A doctor will be in attendance or on call for all games. Please reach out with any physician needs outside of games.
- In the event that your team requires Covid testing please reach out to setup a testing time. We are able to complete a PCR test 7 days a week through University of Iowa Hospitals and Clinics. The average turn around time for results is 6-8 hours. Please contact me to set up testing as needed.

If your team will not be traveling without a certified athletic trainer, please provide a treatment note for any modalities or taping and notify us prior to the visit so appropriate arrangements can be made.

We are eager to assist you and your team during your stay in Iowa City. If you have any further questions or any additional needs, please contact me at the phone number or email listed below.

Sincerely,

Kaycie Landis, MS, LAT, ATC
Assistant Athletic Trainer
Jacobson Athletic Building
