Dear Visiting Athletic Trainer,

On behalf of the University of Iowa Athletics Department and the University of Iowa Women's Tennis program, welcome to the University of Iowa. As a program and department, we hope to ensure a positive and safe experience. Below is information we hope to be helpful for your team in planning your visit and in preparation for provision of medical services:

- The University of Iowa Women's Tennis is proud to host your team at the **Hawkeye Tennis & Recreation Complex (HTRC) Indoor Courts (2820 Prairie Meadow Dr., Iowa City, IA 52246)**.
- The **University of Iowa Hospitals and Clinics (UIHC) Sports Medicine Clinic (2701 Prairie Meadow Dr., Iowa City, IA 52246)** is less than 1 mile south of the HTRC across the street from the front entrance closest to the Indoor Courts. Important to note is that UIHC Sports Medicine Clinic is only open weekdays (M-Th: 7:30 AM-8:00 PM; F: 7:30 AM-5:00 PM).
- The **HTRC Athletic Training Facility (ATF)** is located at the end of the hallway at the opposite end from the Visitor's Locker Room. Due to the current concerns with COVID-19, we ask that requests for access to the ATF for the purposes of treatment be made prior to match day or as soon as possible.
- **Emergency and first aid medical equipment** (i.e., splint bag, athletic training first aid supplies, ice) will be easily accessible within the bank separating the indoor courts. The nearest **automatic external defibrillator (AED)** to the Indoor Courts and Visitor's Locker Room is located behind the HTRC's entrance nearest to the Indoor Courts in a labeled cabinet. Another AED is located on the wall near the entrance of the HTRC Indoor Turf.
- **Match-Day Hydration Stations:** One 10-gallon cooler of Powerade, one 10-gallon cooler of water, and cups will be provided and stationed within the bank separating the Indoor Courts. One 5-gallon cooler will be provided and stationed on the official's chair on each court.
- **Medical Coverage**
 - In addition to athletic training coverage provided by the University of Iowa two hours prior to match start time until the conclusion of matches unless otherwise communicated, the University of Iowa Women's Tennis' primary and orthopedic surgeon team doctors will be either present or on-call for consultation.
 - Should the visiting team be unaccompanied by an athletic trainer, we ask to be notified in advance and ask for a written prescription detailing treatment. Without a written prescription signed by the visiting team's athletic trainer or team physician, treatment cannot and will not be provided due practice law.
- **Pre-Match-Day Practice/Hitting:** Should your team wish and plan to practice prior to match day, please communicate with University of Iowa Women's Tennis Staff as soon as possible. Water will be provided.
- **COVID-19:**
 - In response to the COVID-19 pandemic and in efforts to accommodate both the University of Iowa and the visiting team(s)' institutional policies, athletic trainers and administrators of match opponents will be contacted preseason and closer to match play. Our intention is to be proactive in anticipating potential barriers to competition COVID-19 may present, as well as be able to ensure that all testing policies and procedures can be easily followed to ensure safety of all athletes and staff.
 - Please contact Stephanie McKeen as soon as possible should COVID-19 be suspected. We would like to share that PCR testing results conducted through the UHIC generally return within 8 hours.
- **Please see the following page for information on resources within the Iowa City-Coralville area.**

Please don't hesitate to contact should any questions or concerns arise. We wish you a safe and enjoyable visit.

Respectfully,

Stephanie McKeen, MS, LAT, ATC
